

This holiday season, YOU can help bring smiles to patients at Rogers.

Patients at Rogers Memorial Hospital depend on gifts from the community to make their journey to recovery easier. Below is a "Wish List" which includes items that will help both children and adults cope with the anxiety of being in treatment. Donations of new, unused items or monetary gifts will help make the treatment process more comfortable and brighten their holiday season. As our patients have special requirements, please consider the following when selecting your gifts:

All items must be new | Do not wrap your gifts | Stuffed animals and dolls must be safe for all ages
No toys or games with themes of violence | No items containing Latex or sharp edges

Gifts for patients of all ages are appreciated. Please choose from the following:

Toys

Barbie Dolls | Board Games
(Clue, Connect 4, Sorry, Yahtzee...)
